

N NORMAN PUBLIC SCHOOLS

NPS uses Peachjar to share community information with families.

Approved flyers are available to parents electronically via Peachjar on the district's website and mobile app.

Thursday Folders are for academic information only.

Any group wishing to share information (flyers) must have a Peachjar account. This includes PTAs, PTOs, booster clubs, etc. A site can only upload flyers for their school. Sites are not allowed to upload flyers for outside organizations.

More information can be found at www.normanpublicschools.org/peachjar. You may request a Peachjar account at peachjar.com. If you have questions, Dylan Lacoë with Peachjar can share details about using Peachjar to easily share community events with our students and families.

Before uploading flyers please should review [NPS Policy 2003](#), which covers Distribution of Materials, to make sure flyers comply with district guidelines.

Flyers submitted through Peachjar are approved or denied by the NPS Student Services office.

If you are a PTAs, PTOs, booster clubs, etc, please contact Angela Beyer to set up a Peachjar account (abeyer@normanps.org).
