

## Norman Public Schools

### Medication Request and Release Requirements

If it is necessary that a medication be given during school hours the following requirements must be met:

- Medication will not be administered in school or during school-sponsored activities without a current year Medication Request and Release Form filled out properly and signed by legal parent or guardian and on file.
- Prescription medication must be ordered or advised by a licensed physician/dentist, and *permission is granted* for exchange of verbal and/or written communication between the school staff and the prescribing physician/dentist regarding this medication.
- Prescription medication must be brought to school in the current original container with pharmacy label intact. The label must have the student's name, name of medication, dosage, and time to be given. Prescribing physician/provider **MUST** complete and sign/date Medication Request and Release Form. If the medication is not properly labeled or does not match the Medication Request and Release Form, it will not be given.
- Parents/guardians may ask the pharmacist for a separate container labeled just for the school time dose.
- Over-the-counter medications must be in an unopened original container. Student's name must be written on the box/bottle, the dosage and frequency to be given must be consistent with label instructions.  
\*\*\*\*\*Medication cannot and will not be accepted in baggies or envelopes\*\*\*\*\*
- For student's safety; it is recommended that the parent/guardian bring the medication to the school and give directly to Health Services staff.
- The school cannot send medications home with students.
- At the end of the school year, any medication remaining must be picked up by the legal parent/guardian, on or before the last day of school or, the medication will be destroyed.
- By signing the Medication Request and Release Form, the parent/guardian with legal custody understands that under state law; NPS Board of Education, Norman Public School District No. 29, or employees of the District shall not be liable to the student or the student's parents or guardian for civil damages for any personal injuries to the student which result from acts of omissions and/or adverse effects of this medication.
- The parent/guardian agrees to provide medication and any particulars connected with administering medication at their own expense.
- The parent/guardian will promptly notify the school of any change in the administration of this medication and will provide the school with new prescription bottle and new Medication Request and Release. Written or verbal changes to medications from parent/guardian cannot be accepted.

**AUTHORIZATION/APPROVAL**

Provisions under 70 O.S. 1984, Section 1-1163, allow students to self-administer prescribed asthmatic, diabetic, or allergic medication. Approval to self-administer medications must be authorized by the prescribing physician. **The parent or guardian of the student is to provide the school an emergency supply of the student's medication.**

I have instructed \_\_\_\_\_ in the proper use of his/her medication and it is my professional opinion that this student is capable of self-administration, of the above medication, and should be allowed to carry and use the medication by himself/herself.
