Norman Public Schools is pleased to announce that Kelly Education has been selected to coordinate and manage the primary aspects of our substitute/guest teacher program, orientations, trainings, and placements. **First and foremost, please be assured that you are still valued guest teachers to our district, and we have worked with Kelly Education to assure a smooth and quick transition from your status as a Norman Public Schools' guest teacher to a Kelly Education guest teacher, who serves in Norman Public Schools.**

Kelly Education prepares their guest teachers to succeed in every classroom by offering access to highly respected training and professional learning programs and encourages employees to further their teaching career in specialty areas including STEM, ELL, ELE and special education. If you are interested in becoming a Kelly guest teacher to work in our schools, we invite you to apply at [www.kellyeducationalstaffing.us](http://www.kellyeducationalstaffing.us) or call 405-848-0538.

We hope that you enjoy the many perks and opportunities with Kelly Education and will continue to be a valued guest teacher for Norman Public Schools. Thank you for your hard work and your commitment to Norman Public Schools. We are excited about our partnership with Kelly Education, and we look forward to working with them and you! If you have additional questions, Paige Dolezel in Personnel Services or I are happy to assist you and do whatever we can to bridge the transition with Kelly Education.

Best Regards,

*Holly Nevels*
