

## Which High School Summer School Program is right for you?

Credit Recovery	ExpandEd Online
Failed a course and need to make up the credit?	Trying to take a course to advance to the next level or free space in your schedule next year?
Face to Face Instruction in Math and some Science courses at Norman High School.	Wanting to advance but you have a vacation or camp scheduled in June or July?
Blended Learning for other courses will allow students to work online and get assistance from teachers at the school two days a week in addition to an online teacher who can provide tutoring sessions.	Each student is assigned a teacher who monitors progress and is available for tutoring as needed.
Accelerate through units that you have already mastered.	Accelerate through units that you have already mastered.
An orientation session for students in the blended classes will be provided.	An orientation session for online will be provided.
