

## Which High School Summer School Program is right for you?

**Some changes have been made to our summer programming due to COVID-19**

Credit Recovery	ExpandEd Online
Failed a course and need to make up the credit?	Trying to take a course to advance to the next level or free space in your schedule next year?
Virtual Instruction with Mentor Teachers to support students.	Wanting to advance but you have a vacation or camp scheduled in June or July?
Students work online and get assistance from mentor teachers in addition to an online teacher who can provide tutoring sessions.	Each student is assigned a teacher who monitors progress and is available for tutoring as needed.
Accelerate through units that you have already mastered.	Accelerate through units that you have already mastered.
